

PostureTech® Titanium Coils

The patented Titanium coils provides vital support for your back, sensing movement and responding with correct level of support.

EdgeGuard® Edge Support

All round stability with a firm foam insert that provides about 10% more sleeping space and a firm 'seating' edge at the edge of your mattress.

Comfort Layers

A blend of high quality fibres and ultra soft foam offers a greater level of conformance to the back and hip area.

PosturePremier

This range offers you unrivalled value for any budget, backed by the reliable developments of the Sealy Posturepedic® heritage. You'll enjoy comfortable sleep when you want it and support where you need it.

Mattress range is applicable in selected stores.
